**PHOTOGRAPHY BY** [unreadable]

It's a common sight at the ICG 600: a man in a light blue shirt and tie, smiling, surrounded by people in a crowded setting, possibly a film set or event. This is a photo of a man, likely a cinematographer, being interviewed or interacting with others at a conference or event. The man is the central figure, and the surrounding people are slightly out of focus, emphasizing him as the subject of the article.
